‘Where Every Heart is Sacred’

Thursday 1st May 2025

Dear Parents and Carers,

We are delighted to inform you that our school is now working towards achieving the Silver Award as part of the Rights Respecting Schools programme, led by UNICEF.

Having successfully laid the groundwork at the Bronze stage, we are now focused on deepening our commitment to children's rights across every aspect of school life. The Silver Award recognises schools that are not only teaching about rights but are also putting them into practice in ways that positively impact the whole school community.

Over the coming months, we will be further developing initiatives that promote respect, responsibility, and participation among our pupils. We are keen to ensure that every child's voice is heard and that their rights are at the heart of everything we do.

We greatly appreciate your support in reinforcing these important values at home. Together, we can continue to nurture a school environment where all children feel valued, respected, and empowered.

If you would like more information about the Rights Respecting Schools journey or have any questions, please feel free to contact us.

Thank you, as always, for your encouragement and involvement.

Kind regards,

Mrs Bancroft

PSHE Leader
