

Sacred Heart RC Primary School

What is the Primary School PE & Sport Premium?

The government is providing additional funding for academic year 2025 to 2026 to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Sacred Heart will receive **£18, 641** in the financial year 2025/26.

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. This means that we should use the premium to develop or add to the PE and sport activities that we already offer, or make improvements that will benefit future pupils. For example, we can use our funding to hire qualified sports coaches to work alongside teachers, or to support fewer active children by running or extending school clubs.

What should it be used for?

- Employing a full time sports coach to support both the teaching of PE and provide additional after school and lunch time activities for each year group throughout the year.
- Professional development opportunities for the PE leader.
- Providing cover to release staff for professional development in PE and sport.
- Continuing to run sports activities in school and increasing pupils' participation in the Manchester PE association games (Including transport to sporting events).
- Working with other local schools to develop inter-school competitions and support for PE leaders.
- To provide a range of sporting activities at lunchtime to increase pupil's participation in sports.
- Provision of equipment for PE and Sport.

Academic Year: 2025/2026		Total fund allocated: £18, 641		
Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				9%
Intent	Implementation	Funding (Approx)	Impact	Sustainability and suggested next steps
<p>We will ensure our staff are trained to provide an inclusive, broad and balanced PE and outdoor play curriculum that ensures all children benefit from physical activity</p> <p>PE lessons and play activities will be of the highest quality leading to progression of skills from Nursery to Year 6.</p>	<p>All staff to attend PE CPD on delivery of PE lessons / use of PESSP.OPAL and other physical activities.</p> <p>PE to be integral part of monitoring schedule and quality feedback provided to staff, SLT and GB.</p> <p>Non-contact time provided to support staff in delivery of PE (including their understanding)</p> <p>School Notice board will be updated appropriately, newsletters, website Twitter feed will be updated</p>	<p>£1650 (PE association)</p> <p>(National College)</p> <p>Total: £1650</p>		
Key indicator 2: Engagement of all pupils in regular physical activity-Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.				Percentage of total allocation:
				13%
Intent	Implementation	Funding (Approx)	Impact	Sustainability and suggested next steps
